Fatherhood and Caregiving

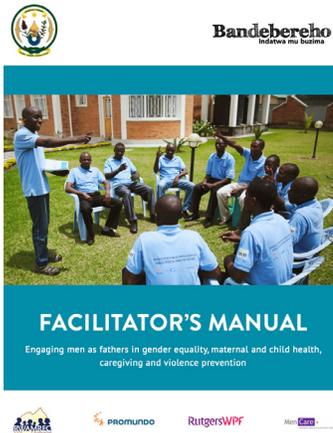

Program P Manual

Reference: Promundo, CulturaSalud, and REDMAS (2013). Program P - A Manual for Engaging Men in Fatherhood, Caregiving, Maternal and Child Health.

The manual was developed for use by health workers, social activists, nonprofit organizations (or NGOs), educators, and other individuals and institutions that aim to use “men as caregivers” as a starting point for improving family well-being and achieving gender equality.

www.promundoglobal.org/programs/program-p/

Bandebereho Manual (Program P adaptation for Rwanda)

Reference: Rwanda Men's Resource Center (RWAMREC), Promundo (2014). Bandebereho Facilitator's Manual - Engaging men as fathers in gender equality, maternal and child health, caregiving and violence prevention.

This manual was created for use by facilitators in the MenCare+ Bandebereho project in Rwanda. It is an adaptation of Program P and is designed to engage expectant fathers and their partners in group education sessions to promote men's involvement in maternal, newborn and child health, family planning, caregiving and preventing domestic violence.

Youth and Equality

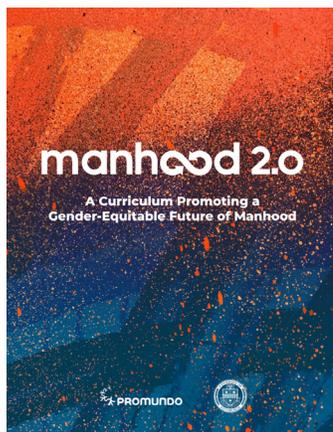

Program HMD Toolkit

Reference: Promundo, Instituto PAPAÍ, Salud y Género and ECOS (2013). Program H|M|D: A Toolkit for Action/Engaging Youth to Achieve Gender Equity. Promundo: Rio de Janeiro, Brazil and Washington, DC, USA.

This toolkit presents the “greatest hits” of Programs H and M. It seeks to make the model accessible so that an increasing number of teachers, facilitators, youth workers, coaches, and health workers have the means to become gender equality activists – engaging young people to achieve lives free of inequalities, discrimination, and violence, and with full access to and knowledge about sexual health and other health services. This toolkit maintains sexual diversity, represented by “D,” as a central part of approaches and achieving gender equity.

Manhood 2.0 Manual

Reference: Promundo-US and University of Pittsburgh Medical Center (2018). Manhood 2.0: A Curriculum Promoting a Gender-Equitable Future of Manhood.

Manhood 2.0 is a gender-transformative curriculum developed by Promundo and the University of Pittsburgh to engage adolescent boys and young men (ages 15–24) in reflecting on the impacts of harmful gender norms, specifically with the aims of preventing teen pregnancy, dating violence, sexual assault, and LGBTQ bullying, and of building healthier relationships.

Manhood 2.0 Program Overview and Final Results

Reference: Promundo-US (2019). Manhood 2.0: Program Overview and Final Results. Washington, DC: Promundo.

The following program overview provides a description of the Manhood 2.0 program, challenges and lessons learned, and key evaluation findings. It is intended to be a summary of experiences piloting and evaluating an adolescent pregnancy prevention program for young men, adapted from the Global South and implemented in Washington, DC.

Very Young Adolescence 2.0

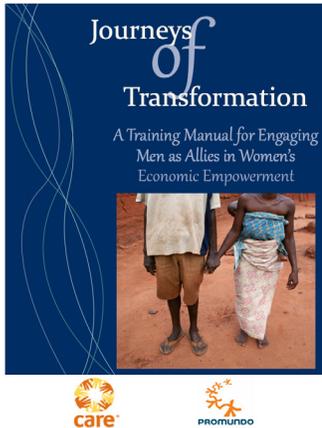

Reference: Kato-Wallace, J. and Levto, R. (2018). Very Young Adolescence 2.0: A curriculum to promote gender equality and sexual and reproductive health. Washington, DC and Blantyre: Promundo-US and College of Medicine Malawi.

This is a 12-week program targeting students (ages 11 to 14) and informed by experts on early adolescent development, findings from the Global Early Adolescent Study, and a round of pilot testing in Malawi. Though the activities speak to Malawian youth, they are adaptable to almost any setting. The program is designed for implementation in mixed and single-sex groups as an after-school program using trained facilitators. It could also be implemented as part of the school curriculum.

Economic Justice

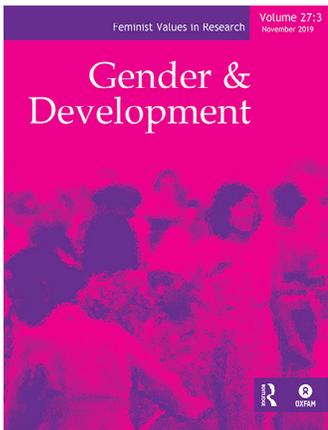

Journeys of Transformation

Reference: Promundo and CARE International in Rwanda. 2012. Journeys of Transformation: A Training Manual for Engaging Men as Allies in Women's Economic Empowerment. Washington, DC, USA, and Kigali, Rwanda: Promundo and CARE.

The Journeys of Transformation curriculum offers 17 group education activities for men whose partners participate in women's economic empowerment programming. These activities focus on business and negotiation skills, couples' decision-making processes, individual health, and well-being, and laws and policies related to gender-based violence. The program also stimulates community discussions to promote changes in norms related to gender.

KEY PROGRAMS PUBLICATIONS

Diversity and Inclusion

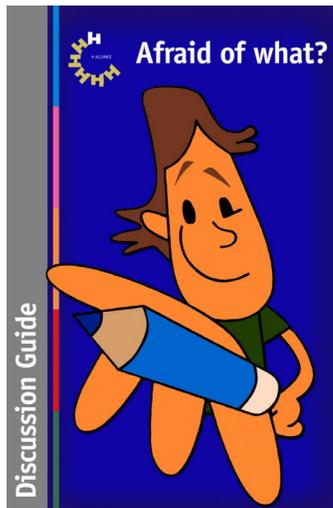

Program D

Reference: Salud Y Género, Promundo, ECOS, Instituto Papi, World Education.

Program D was developed based on evaluations of the Program H and M manuals. This toolkit promotes respect for sexual diversity by inviting youth to reflect on questions and prejudices related to homosexuality.

www.promundoglobal.org/programs/journeys-of-transformation/

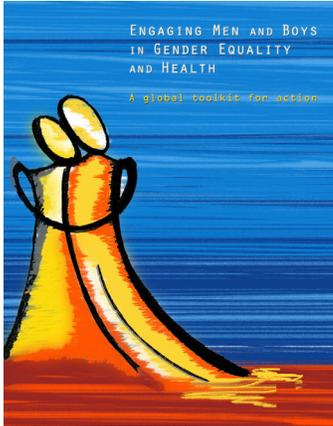

Afraid of What? Discussion Guide

This is a no-words cartoon video that invites viewers to reflect critically on how to eliminate homophobia and promote respect for sexual diversity. The video guide contains notes about the video, instructions for facilitators about how to use the video, and activities to stimulate discussion about the themes found in the video.
